

RAU PLANS TULSA SPRING ATHLETICS

Eight Track Letter Men Return to High This Season.

WINNER IS EXPECTED

G. B. Clayton to Again Coach Squad—Baseball Coach Not Selected.

BY LARRY DAILEY

Plans for spring athletics at Tulsa high school are being made and tentative track and baseball schedules are under way. Programs in keeping with the football and basketball schedules are to be adopted and tentative schedules of the southwest are to be met in the spring.

Prospects for a winning track team are exceptionally bright. Coach G. B. Clayton, who developed Tulsa's state championship squad will have eight letter men as nucleus for this year's team. They include Dale Carson, sprinter; Seth Hughes, sprinter; Myers, distance runner; Chadwell, sprinter and jumper; Cote, weight man; Carson, middle distance runner; Hoy, sprinter, and Keck, weight man. Some of the above named athletes were the heaviest point winners on last year's all-victorious team.

Several New Men

In addition to the letter men, several other track and field athletes of last season, in addition to new men, are expected to make strong bids for places.

Dual meets with Muskogee, Okmulgee and other eastern schools, and participation in the eastern triangular and the University of Oklahoma and Oklahoma Aggie state meets, is planned for the local cinder path men.

It is probable that an inter-state dual meet with some leading southwestern high school, Wichita, or Winfield, Kansas preferred, will be held. Each of the two named Jay-

hawk schools have been leaders in track in this section for several years.

To Hold Indoor Practice

Coach Clayton will probably issue a call for indoor practice the middle of February. Indoor practice was instituted for the first time at Tulsa high school last season by Coach Clayton, and contributed in a large measure to the success of the team. E. W. Rau, physical director is working on the baseball schedule, which will call for games with leading eastern Oklahoma nine, in addition to others. Two games each with the following schools will probably be played: Elgin, Jenks, Muskogee, Okmulgee, Sand Springs and Sapulpa.

A. L. Brenneman, football coach and star football gridiron and baseball player at the University of Illinois, or Ed Foster, former mainstay of the Drury college nine and later an amateur pitcher of note, will coach the baseball squad.

HARD WEEK FOR HIGH

Tulsa Scholastics Meet Two State Title Contenders—Play Wichita Here Saturday.

Three of the most important games on the Tulsa high school basketball schedule are to be played this week, including contests with strong state championship contenders and an interstate affair.

Wewoka and Jenks are the Sooners' five while the Wichita, Kansas, quintet furnishes the out of state opposition.

Wewoka, one of the leading quintets in the south-central part of the state, invaded Tulsa Tuesday night, Friday night, the crimson and cream clash with the undefeated Jenks quintet, at Jenks. Jenks defeated Tulsa in the opening game of the season here in a game replete with sensational basketball and which required an extra five-minute period. Wichita, conqueror of Tulsa in an early game at Wichita this season, meets Rau's men here Saturday night.

Two women are patentees of an electrically operated machine for washing drinking glasses without handling until they are dry.

HIGH CAGING MEET PLAN ANNOUNCED

Annual State Tourney Is to Be Held at Stillwater, Okla.

Special to The World

STILLWATER, Jan. 31.—The annual state high school basketball tournament for boys will be held at Oklahoma A. & M. college March 4, 5 and 6. The court of the new \$100,000 gymnasium will be used for the games and the meet will be held under the auspices of the A. & M. Athletic association.

According to advance information, Physical Director E. G. Gallagher predicts that there will be not less than 50 high school basketball teams in the three-day competition. The tournament will be conducted on the elimination plan. Drawing for places will occur on the morning of March 4 at 8 o'clock.

Prizes of superior quality will be given, a loving cup being offered to the winning team and a smaller cup to the runners up. Admission fees collected will be prorated among the visiting teams according to mileage each team traveled. The high school players, in many instances, will be entertained in Stillwater homes.

Director Gallagher is sending out detailed information to the schools of the state and expects soon to have returns on the entrance of a large number of teams.

BOOSTERS MAY GET STARS

Joe Wilhoit and Paul Munser Offered, Says Owner Fairweather.

DES MOINES, Iowa, Jan. 31.—Tom Fairweather, owner of the Des Moines Western league club, has been offered the services of Joe Wilhoit, last year with Wichita, now owned by the Boston Red Sox, and Paul Munser, also Boston's property, originally a Des Moines hurler, who was farmed to Wichita last season. Wilhoit established a new world's record last season for hitting in consecutive games. Fairweather is expected to get both players and this should be a great boost for the game in Des Moines. The fans at the Iowa capital were much puffed last season because Fairweather sold Munser to the Red Sox and that was given as one of the reasons for the big slump in attendance in Des Moines.

Hearings Postponed

EL PASO, Texas, Jan. 31.—The hearings of the United States senate subcommittee investigating Mexican affairs, which were to have begun here next Monday, have been postponed to next Tuesday, according to a telegram from Senator Albert Fall, chairman of the subcommittee, received here today by Mayor Dan M. Jackson.

KENDALL WINS AGAIN

Tulsa Collegians Defeat East Central Normal in Second Game of Series, 60 to 17.

Kendall college basketballers last night repeated their victory of Friday night over the East Central normal quintet by winning a fast and well played game, 60 to 17. East Central fought well throughout, despite the one-sided score.

The lineup:
KENDALL (60) POS. E. CENT. (17)
Dunham F. Keck
Keck F. Kidd
Williams F. Sherman
Jackson F. Vernon
Groves G. Heard

Field goals: Dunham 9, Keck 12, Lamb 2, Williams 1, Paddeney 4, Irwin 1, Roach 6, Kidd 2, Fouls 1.

Basketball Results

AT HARTLESVILLE.—Tulsa high school 34, Hartlesville high school 7.
AT TULSA.—Ohio 23, O. P. & H. 19.

No Representation in International Boxing Union for the States

NEW YORK, Jan. 31.—America will not be represented at a meeting of the International Boxing union, to be held in Paris February 8. This union, an organization which aims at securing absolute control of boxing throughout the world, sent an invitation to the army, navy and civilian board of boxing control, with headquarters in this city, to send a representative to the conference. That, however, was not deemed advisable and the union was so advised by cable.

Field goals: Robertson 2, Pratkan 1, Hunsentfield 2, Morrison 1, Paul George Malone 1, Robertson 1, Referee, Irwin.

Sherman, Shine Ball Star Goes to Fort Worth Nine

Brice Pitt, one of the shine ball artists, who made Sherman so famous in the closing days of 1917, is expected to be a come-back this season and he will if he will be good. Last season he was sent to Kansas City for further seasoning, but failed to keep in good condition, and was suspended. He was out of the game all season. Fort Worth has purchased his release from Kansas City and it is expected the big fellow will do his best when he is back on old familiar ground.

Ball Was Shrapnel

LENS, N. H., Jan. 31.—Loren Harper of Mt. Putnash, a Logan county soldier, won the French cross de guerre for bravery on the western front. He went to Decatur recently. While there he stopped in to see a physician. He asked the physician to open a hole in his leg. The doctor did and extracted a large piece of shrapnel from the wound. "Another souvenir from the war," Harper said.

NORMAL FIVE COMING

Kendall Meets Southwestern Wednesday Night—Final at Home Game for Three Weeks.

Kendall college basketballers engage in their final at home game for three weeks Wednesday night when they meet the Southwestern normal quintet, of Weatherford, Oklahoma. Southwestern was one of the leading claimants to the state collegiate championship last season, an honor which was never definitely determined. They have a veteran team this year and are expected to provide serious opposition to the orange and black's championship aspirations.

Indications are that the race for the state collegiate title will be the closest in the history of Oklahoma basketball this season, and as every game counts much in the final ranking, the Freshyrians are ready for a hard game here Wednesday night.

How Little Savings Grow—

An ingenious professor of mathematics has figured that one cent, invested at the beginning of the Christian era, 1919 years ago, at 4½ per cent interest, compounded semi-annually, would make one hundred thousand globes of solid gold, each the weight of the earth.

This shows that little savings grow into large amounts and the moral is: "save the pennies."

Open a savings account today and let your money earn more money for you.
